Issuance of a Vehicle

Registration Card

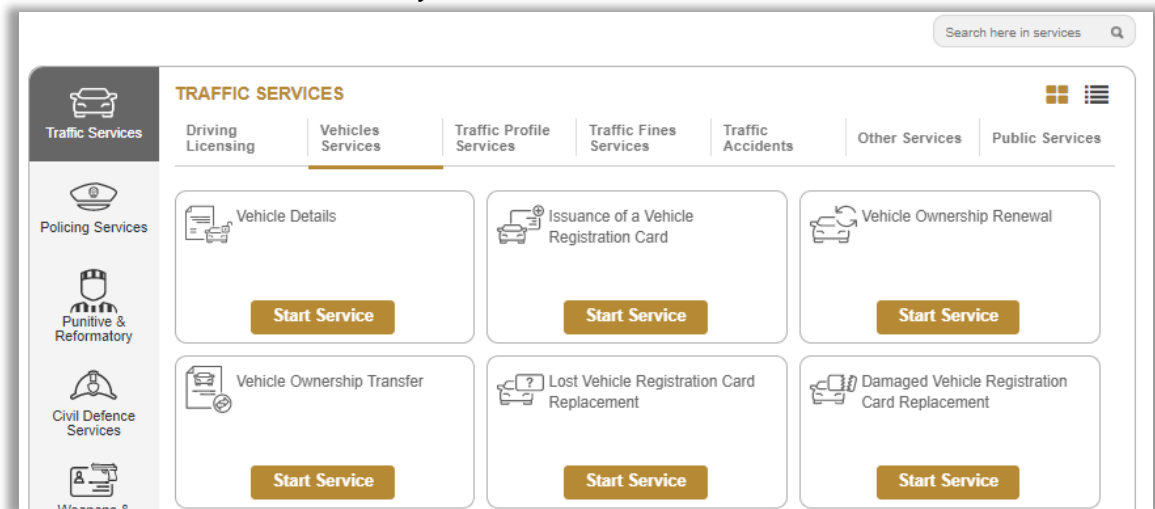

In this page, you can issue new vehicle registration card, and it will be delivered by a courier. Please be informed that you will not be able to proceed if you have restrictions.

The customers of this service are divided into two main categories:

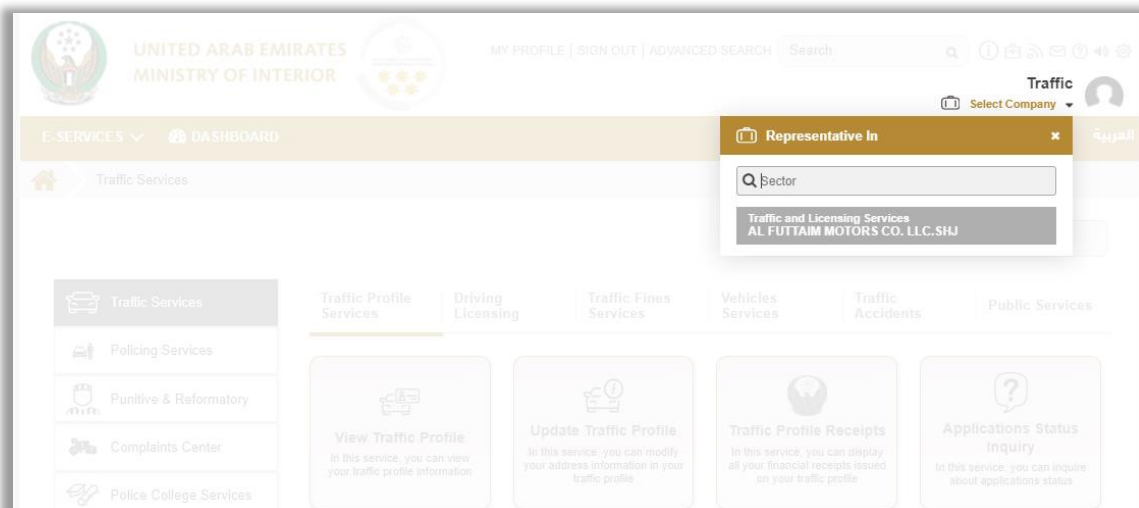

1. Individuals
2. Companies representatives

To apply for vehicle registration cars, follow the following steps:

1. Choose the **issuance of a vehicle registration card** service from the list of **vehicle services** that lay under **traffic services**.

2. If the applicant is a **company representative**, the company must be selected from the top of the screen list first to be able to apply for the service successfully.

Service steps:

1. Enter the owner's traffic number or his/her representative and select the plate source.

6.To pay the service fee through the payment gateway enter your credit card data and then press the pay button to complete the payment process.

The screenshot displays a web interface for a payment gateway. At the top, there are three tabs: "Vehicle Info.", "Service Restrictions", and "Payment Gateway", with the third tab being active. Below the tabs, it says "Step: Payment Gateway". The main content area shows an "ORDER DESCRIPTION" of "Vehicle Service" and an "AMOUNT TO PAY" of "Dhs. 580.00". The title "Payment Method" is centered. Below the title, there is a prompt "Click below to complete your payment" followed by a blue button with a right arrow and the text "VISA Checkout". Underneath, it says "Or enter your card details below". There is a section for "Accepted cards:" with icons for Mastercard and VISA. Below this, there are input fields for "Card number", "Expiry month" (set to "January"), and "Expiry year" (set to "2021"). At the bottom, there is a field for "Validation Code (CVV/CVC/CID)".

7. Evaluate your service experience through the Happiness meter shown below.

The screenshot shows a "Happiness meter" interface. It starts with the text "Please rate your overall experience with the website". Below this, it says "Hold and swipe to the face that best represents your level of happiness." To the right of the text is a large yellow circular dial with a horizontal line and two small faces at the ends, indicating a range. At the bottom, there is a horizontal slider bar with a yellow dot in the middle. The left end of the slider is labeled "Not at all happy" and the right end is labeled "Completely happy".
